Rota Planner

Welcome to Rota Planner by ProduQtive™. A standalone or fully integrated module of the ProduQtive resource planning, scheduling and recruitment management platform. With over 20 years' experience in the NHS, ProduQtive is a genuine alternative to some of the more established solutions on offer.

ProduQtive was designed for the NHS as an alternative to some of the more established providers in the market, with the following high-level objectives:

- A fresh approach to create compliant junior doctor rotas. (including Trust Grades).

- Be flexible if the concept if used for other staffing groups or grades.

- Apply algorithms, based on the 2016 terms of employment (new deal) and EU Working Time Directive.

- Provide useful tools and logic to save time and remove the guess-work from the process.

- Be able to convert a rota into a transactional (single or aggregated) roster with ease.

- Provide reporting, work-schedules and capacity indicators as standard.

ROTA PLANNER'S KEY FEATURES

- On-the-go with mobile, tablet and desk-top optimisation.

- In-line editing to remove, edit, copy/paste.
